

Arc DE TRIOMPHE

A unique view of the Champs-Élysées.

GOOD REASONS TO VISIT

- Unique panoramic views from the Place de l'Étoile.
- Come and visit one of the world's largest triumphal arches.
- A highly symbolic site: the tomb of the Unknown Soldier.

The Arc de triomphe was begun in 1806 on the orders of Napoleon I to honour the victories of his Grande Armée.

Inspired by the great arches of antiquity, this iconic monument bears the names of battles and generals from the Revolution and the First Empire. The Arc de Triomphe museum takes visitors on a journey back in time to discover the true meanings of the sculptures that adorn its façades. On the top floor, the panoramic terrace affords unique views of Paris by day and night.
